

How to get a data plan from AT&T

1. Go to AT&T Official Website, <http://www.att.com/#fbid=qMsWee744Hj>

2. Select menu "Shop"-> "Wireless" -> "GoPhone Prepaid Plan":
"GoPhone Prepaid Plan": Which takes you too: <http://www.wireless.att.com/cell-phone-service/cell-phone-plans/pyg-cell-phone-plans.jsp>

Enter zip code, or use login if you already have one.

It supports the functions as follows:

- Choose a prepaid plan that works best for you – monthly, daily, or by the minute:
 - \$50/Monthly Unlimited plan includes unlimited talk, text, and access to Internet, email, social networks, and more! (Smartphone users must purchase a separate data package.)
 - \$2/Daily Unlimited plan includes text, IM, picture, sound, and video messages nationwide. Pay only on days used. Data packages can be added for Web access. Plus, Unlimited Plans include text & IM to Mexico, Canada, and over 100 countries.
 - 10¢/Minute plan offers your choice of additional text and data packages.
- No activation charges
- Smartphone likes the LG Thrive™ available with Android Market™ apps.
- Rollover Balance® lets you carry over unused balance if refilled before balance expires.

Click shop prepaid packages if you want to get a phone with the SIM which includes services.

<http://www.wireless.att.com/cell-phone-service/packages/prepaid-packages.jsp>

Give up on website if you don't want a phone.

Then go to store and get the SIM card.

Go to AT&T store to get a prepaid SIM card with that \$50/Monthly Unlimited plan includes unlimited talk, text, and access to Internet, email, social networks, and more.

ICP DAS USA, Inc.
1508 W Pacific Coast Highway
Harbor City, CA 90710
