

# ICP DAS USA

## MAKING DATA ACQUISITION EASY

ICP DAS USA is a leading manufacturer of embedded control, data acquisition, and data communication products since 2001

### About Us

We are a leading provider of industrial automation solutions, serving a wide range of industries including manufacturing, energy, transportation, and more. Our mission is to help our customers improve their operational efficiency, safety, and productivity by providing cutting-edge technologies and expertise. We have over **20 years of experience** in the industry and are dedicated to delivering the best possible outcomes for our clients.

### Why ICP DAS USA?

With a team of highly skilled engineers and a commitment to staying ahead of the curve in terms of industry advancements, we have built a reputation as a trusted partner for companies looking to upgrade their automation systems. We have the knowledge and experience to help you reach your goals.

### Benefits

#### Free Resources

Free remote monitoring software, data logging software, demo programs & SDK, online training, webinars, white papers, and rich library of tutorial videos.

#### Fast Shipping & Service

We ship between 1 - 10 days and answer questions, quotes, and other inquiries quickly within business hours.

#### Free Technical Support

We offer 1 hour of free technical support to our clients.

## REMOTE DATA ACQUISITION

- I/O Configurations Supported
- Multiple Protocols & Interfaces Supported
- Free Data Logging Software

## TOUCH SCREEN CONTROLLERS

- Integrated HMI & Control
- Programmable in Ladder Logic & C Language
- Free Demo Programs

## INDUSTRIAL WIRELESS EQUIPMENT

- Wireless Solutions (Zigbee, Cellular, Wi-Fi, Infrared, RF, GPS)
- Affordable & Versatile
- Robust Connectivity

## CONVERTERS & GATEWAYS

- Improves Communication between Devices
- Increases Compatibility and Integration
- Supports various Protocol Conversions

## INDUSTRIAL ETHERNET SWITCHES

- Power over Ethernet
- Reliability & Stability in Harsh Environments
- Easily Integrated into Existing Networks

## CONTROL & MONITORING SOFTWARE

- Real-Time Monitoring & Control
- Efficient & Automated Data Management
- Improves Operational Visibility

## PROGRAMMABLE AUTOMATION CONTROLLERS

- Improves Process Control & Efficiency
- Enhances Monitoring & Data Collection
- Increases Flexibility & Customizability

## SMART POWER METERS

- Improves Energy Efficiency & Cost Savings
- Multiple Measurement Configurations
- Easy Installation

## WIRELESS GPRS/GPS

- Immediate Messaging
- Enable Monitoring
- Quick Response Systems
